Get the benefits of a large-scale retirement plan with less of the hassle.

Easy setup and administration

Say goodbye to most of the manual work of setting up and managing a 401(k). We handle compliance, recordkeeping, and updating employee information every payroll cycle.

“No-Touch” integration with 400+ payroll providers³

Human Interest’s integration reduces the burden of managing a 401(k) by syncing to payroll, processing contributions, and handling employee contribution rates changes.

Investment education⁴

Human Interest offers built-in education like our learning center and other educational resources.

Affordable, low cost investment options⁴

We aim to keep fees low – and transparent – for both employers and employees. Employees can invest in low cost mutual funds across multiple asset classes and risk categories.

Continuous 401(k) account management

Human Interest provides ongoing support for administrators and employees. With our Concierge plan, customers will have access to a dedicated Account Manager.

Transparent pricing

Human Interest’s 401(k) includes recordkeeping, compliance services, full account setup, flexible plan design options, and reporting. Employers who sign up in time can also take advantage of up to \$5,000 in tax credits for 3 years.⁵

A one-time \$499 setup fee may apply. Additionally, a Human Interest Advisory Fee, typically 0.50%, is billed according to the **Terms of Service**, versus the industry average fees of 1.64% of account balances.^{6,7}

Traditional providers vs. Human Interest

Traditional providers have built their business on administering large 401(k) plans. They have not built the technology and automation required to efficiently run small plans. Human Interest's fully automated 401(k) plans can be set up online without ongoing administration and less the cost of traditional 401(k)s.

² G2 ratings are based on reviews of Human Interest Inc.'s 401(k) administrative services. G2 is responsible for the calculation methodology of the ratings and details can be obtained at (research.g2.com/g2-scoring-methodologies). The G2 rating was awarded on 03/10/2022 and is based upon reviews collected between 06/20/2019 and 03/10/2022. Human Interest has directly provided compensation to G2 in connection with obtaining and using the G2 rating. Clients participating in the G2 ratings were solicited by Human Interest and received nominal non-cash compensation. Receipt of non-cash compensation incentivizes individuals to positively recommend services and products, creating a conflict of interest.

⁶ For information about Human Interest's pricing, please refer to our [Pricing Page](#), which describes the fees charged for administrative and advisory services. Fees for investment advisory services are billed quarterly to Plans and recorded at the participant account level based upon a percentage of total assets under management. Fees are typically up to 0.50% annually, and include custody fees. Mutual fund annual operating expenses are established by each individual mutual fund and disclosed in the relevant

prospectus, as well as through fee disclosures provided to Participants. Mutual fund fees are embedded in each mutual fund's net asset value and are borne equally by each fund shareholder, including those plan participants who elect to purchase shares. The average fee for the mutual funds available through the Human Interest model is .07% per year, but is subject to change based upon the expenses set by each particular mutual fund.

⁷ The average investment expense of plan assets for 401(k) plans with 25 participants and \$250,000 in total assets is 1.64% of assets, according to the 21st Edition of the 401k Averages Book, and is inclusive of investment management fees, fund expense ratios, 12b-1 fees, sub-transfer agent fees, contract charges, wrap and advisor fees or any other asset based charges.

⁸ Recommended plan pricing reflects Human Interest's Complete Plan.

⁹ Retirement plan support is dependent on the customer's payroll service provider and integration. For a full list of our supported payrolls please visit our website. Customers on a self-supported payroll will be required to administer their plan on an on-going basis.
