### Additional Benefits

# On-Demand Counseling

Provided by SupportLinc

## INTRODUCTION

On-Demand Counseling provides support navigating personal, family, and work-related challenges, such as emotional wellness and financial planning.

Whether you're a new parent, caregiver, or selling your home, there is an expert on staff to work with you and answer your questions. Personal information is treated with the utmost confidentiality.

## HOW TO ACCESS

### 1. Visit or Call

Visit the SupportLinc [webpage](#) or call **(888) 875-8641**

### 2. Provide Group ID

If asked, provide your Group ID: **wellnessplanplus**.
